

REMARKS

Claims 50-65 and 67-81 stand provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 36-55 of copending Application 10/069,944. Applicants hereby submit a terminal disclaimer to overcome this provisional rejection and assert that the application is now in condition for allowance.

In view of the foregoing, Applicants respectfully submit that the rejection is overcome and that the application is now in condition for allowance. Accordingly, favorable reconsideration and allowance of the application is respectfully requested.

Respectfully submitted,
